## 1. Introduction and aims

At our school, we recognise that mobile phones and smart devices are part of everyday life for many pupils, parents/carers and staff. However, in line with Department for Education guidance, the school operates as a **mobile phone-free environment by default**.

The aims of this policy are to:

- Maintain a calm, focused and safe learning environment
- Protect pupils' safeguarding, privacy and wellbeing
- Reduce distraction, disruption and peer conflict
- Support consistent behaviour expectations
- Ensure the school meets its safeguarding duties under *Keeping Children Safe in Education*

Any use of mobile phones in school is **exceptional, risk-assessed, and reviewed regularly**.

## 2. Relevant guidance

This policy has regard to:

- DfE: *Mobile phones in schools*  
<https://www.gov.uk/government/publications/mobile-phones-in-schools>(updated January 2026)
- DfE: *Behaviour in schools*  
<https://www.gov.uk/government/publications/behaviour-in-schools--2>
- DfE: *Searching, screening and confiscation* [Searching, screening and confiscation in schools - GOV.UK](https://www.gov.uk/government/publications/searching-screening-and-confiscation-in-schools)
- *Keeping Children Safe in Education*

## 3. Roles and responsibilities

### 3.1 Staff

All staff (including teachers, support staff and supply staff) are responsible for consistently enforcing this policy.

Volunteers, or anyone else otherwise engaged by the school, **must** alert a member of staff if they witness, or are aware of, a breach of this policy.

The Headteacher is responsible for monitoring the policy annually, reviewing it, and holding staff and pupils accountable for its implementation.

Staff will address any questions or concerns from parents/carers quickly and clearly communicate the reasons for prohibiting the use of mobile phones.

### 3.2 Governing body / Trust

- Flying High Partnership monitors implementation and reviews this policy regularly

## 4. Use of mobile phones by staff

### 4.1 Personal mobile phones

Staff (including volunteers, contractors and anyone else otherwise engaged by the school) are not permitted to use their personal mobile phone, while children are present / during contact time. Use of personal mobile phones must be restricted to non-contact time, and to areas of the school where pupils are not present (such as the staffroom).

There may be circumstances in which it's appropriate for a member of staff to have use of their phone during contact time for personal reasons. For instance (this list is non-exhaustive):

- For emergency contact by their child, or their child's school
- In the case of acutely ill dependents or family members
- Please also refer to the "**Using personal mobiles for work purposes**" section of this policy for additional circumstances.

The headteacher will decide on a case-by-basis whether to allow for special arrangements.

If special arrangements are not deemed necessary, school staff can use the school office number 0115 648 9833 as a point of emergency contact.

### 4.2 Data protection and AI

- Personal mobile phones must not be used to process personal or confidential data
- School information must not be entered into generative AI tools on personal devices
- Where AI tools are used, this must be via **school-approved systems (e.g. Copilot) on school devices**, in line with Trust AI policy

### 4.3 Safeguarding

- Staff must not use their personal mobile phones to take photographs or recordings of pupils, their work, or anything else that could identify a pupil. If it's necessary to take photos or recordings as part of a lesson/school trip/activity, this must be done using school equipment.
- Personal contact details must not be shared with pupils or parents/carers

### 4.4 Using personal mobiles for work purposes

In some circumstances, it may be appropriate for staff to use personal mobile phones for work. Such circumstances may include, but are not limited to:

- Issuing homework, rewards or sanctions
- Use of multi-factor authentication
- Emergency evacuations
- Supervising off-site trips
- Supervising residential visits

In these circumstances, staff will:

- Use their mobile phones in an appropriate and professional manner, in line with our staff code of conduct
- Not use their phones to take photographs or recordings of pupils, their work, or anything else that could identify a pupil
- Refrain from using their phones to contact parents/carers. If necessary, contact must be made via the school office

## 4.5 Sanctions

Staff that fail to adhere to this policy may face disciplinary action.

See the Trust staff disciplinary policy and procedure for more information

## 5. Use of mobile phones by pupils

Pupils should not use their mobile phones during the school day, including during lessons, in the time between lessons, at breaktimes and at lunchtimes.

### 5.1 School approach

Pupils must hand phones in on arrival. Devices are stored securely and returned at the end of the day.

Phones are **never** permitted to be used during the school day.

### 5.2 Smartwatches

Smartwatches and similar devices with communication or recording capability are included within this policy and are subject to the same rules as mobile phones.

### 5.3 Exceptions for special circumstances

Exceptions may be agreed **only where necessary**, for example:

- Medical needs
- SEND reasonable adjustments
- Travel or safeguarding needs

All exceptions:

- Must be approved by the Headteacher
- Must be supported by a **risk assessment**
- Must follow an agreed **storage arrangement**
- Are reviewed regularly

Pupils granted permission must follow the Code of Conduct (Appendix 1).

## 5.4 Sanctions

- Mobile phones will be confiscated in line with sections 91 and 94 of the Education and Inspections Act 2006. The phone will be locked in the school safe and the parent/carer will be contacted.
- The mobile phone can only be collected by a parent/carer and will be stored in the school safe until this time.

In line with the Department for Education's Searching, Screening and Confiscation guidance, the school reserves the right to search a pupil's bag or possessions if there is a reasonable belief that a mobile phone is being brought onto the premises or stored in school contrary to policy. This search will be carried out by authorised staff (Senior Leadership and DSL), with an additional adult present, and will follow all statutory safeguards to ensure the process is respectful, proportionate and in the best interests of pupil safety and wellbeing.

In each case, the sanction given must be reasonable and proportionate. The school will also consider whether:

- There are any relevant special circumstances (for example, age, religious requirements, special educational needs, disability)
- The pupil's behaviour may indicate they may be suffering, or at risk of, harm. If this is suspected, staff will follow the appropriate procedure set out in Part 1 of [Keeping Children Safe in Education](#)

Certain types of conduct, bullying or harassment can be classified as criminal conduct. The school takes such conduct extremely seriously and will involve the police or other agencies as appropriate.

Such conduct includes, but is not limited to:

- Sexting (consensual and non-consensual sharing nude or semi-nude images or videos)
- Upskirting
- Threats of violence or assault
- Abusive calls, emails, social media posts or texts directed at someone on the basis of someone's ethnicity, religious beliefs or sexual orientation

All sanctions are linked to the school behaviour policy. Where harmful or illegal content is suspected, safeguarding procedures will be followed in line with *Keeping Children Safe in Education*.

## 6. Parents/carers, visitors and volunteers

Parents/carers, visitors and volunteers (including governors and contractors) must adhere to this policy as it relates to staff if they are on the school site during the school day.

This means:

- Not taking pictures or recordings of pupils, unless it's at a public event (such as a school fair), or of their own child
- Using any photographs or recordings for personal use only, and not posting on social media without consent
- Not using phones in lessons, or when working with pupils

Parents/carers, visitors and volunteers will be informed of the rules for mobile phone use when they sign in at reception or attend a public event at school. This will be either by the Office (on arrival or via electronic communication before the event) or by a member of the Senior Leadership Team before the beginning of the event.

Parents/carers or volunteers supervising school trips or residential visits must not:

- Use their phone to make contact with other parents/carers
- Take photos or recordings of pupils, their work, or anything else that could identify a pupil

Parents/carers or volunteers supervising trips are also responsible for enforcing the school's policy for pupils using their phones, as set out in section 5 above, but must refer any sanctions to a member of staff, as they do not have the power to search or confiscate devices.

Parents/carers must use the school office as the first point of contact if they need to get in touch with their child during the school day. They must not try to contact their child on their personal mobile during the school day.

## 7. Loss, theft or damage

- The school accepts no responsibility for mobile phones that are lost, damaged or stolen on school premises or transport, during school visits or trips, or while pupils are travelling to and from school

- Confiscated items are stored securely in the school safe.

Lost phones should be returned to the school office. The school will then attempt to contact the owner.

## 8. Monitoring and review

The school is committed to ensuring that this policy has a positive impact on pupils' education, behaviour and welfare. When reviewing the policy, the school will take into account:

- Feedback from parents/carers and pupils
- Feedback from staff
- Records of behaviour and safeguarding incidents
- Relevant advice from the Department for Education, the local authority and any other relevant organisations

## 9. Appendix 1: Code of Conduct for pupils allowed to bring their phones to school due to exceptional circumstances

You must obey the following rules if you bring your mobile phone to school:

1. You may not use your mobile phone during lessons, unless the teacher specifically allows you to.
2. Phones must be switched off (not just put on 'silent').

4. You cannot take photos or recordings (either video or audio) of school staff or other pupils without their consent.
5. Avoid sharing your contact details with people you don't know, and don't share other people's contact details without their consent.
6. Don't share your phone's password(s) or access code(s) with anyone else.
7. Don't use your mobile phone to bully, intimidate or harass anyone. This includes bullying, harassing or intimidating pupils or staff via:
  - A. Email
  - B. Text/messaging app
  - C. Social media
8. Don't use your phone to send or receive anything that may be criminal. For instance, by 'sexting'.
9. Rules on bullying, harassment and intimidation apply to how you use your mobile phone even when you aren't in school.
10. Don't use vulgar, obscene or derogatory language while on the phone or when using social media. This language is not permitted under the school's behaviour policy.
11. Don't use your phone to view or share pornography or other harmful content.
12. You must comply with a request by a member of staff to switch off, or hand over, a phone. Refusal to comply is a breach of the school's behaviour policy and will be dealt with accordingly
13. Mobile phones are not permitted in any internal or external exam or test environment. If you have a mobile phone, you will be asked to store it appropriately, or turn it over to an exam invigilator, before entering the test room. Bringing a phone into the test room can result in your exam being declared invalid.
