

## **Rivendell Flying High Academy Disabled Access**

---

Rivendell Flying High Academy is a single-story building.

Within the building all classrooms are accessed down the main corridor of the school. Each classroom also has their own exterior door with a flat entrance & exit out on to the playground.

The building also has 2 disabled toilets.

The fire exits are all at ground level.

Parking: there are two disabled car parking space available.

Please contact the School Office if you feel you have difficulties that may impair you on our site.
