

15<sup>th</sup> January 2025

**Parent and Carer Consultation on**  
**Relationships, Sex and Health Education (RSHE) Curriculum**

Dear Rivendell Families,

As a school, we deeply value collaboration with our families and appreciate your ongoing support in shaping our children's education. I am pleased to announce a Parent and Carer Consultation period, which will run until Friday 24<sup>th</sup> January 2025, and would very much welcome your contributions during this time.

Here's how you can help:

Please visit our website at <https://www.rivendellfha.co.uk/> and navigate to **Curriculum > Relationships, Sex and Health Education (RSHE)**. There you will find:

- A link to the Parent and Families Consultation Microsoft Form (if you require a paper copy, please contact the school office).
- A draft copy of our school RSHE policy for consultation, which includes the content planned for each year group.
- Information from the Department for Education (DfE), including a parent guide and an FAQ document.
- Year Group overviews of the lessons to be taught.
- A Parents and Families PowerPoint Guidance document to provide additional context and clarity.

We kindly ask that you review these documents, including the scheme of work and government guidance, and share your comments or questions using the online consultation questionnaire. Feedback will be carefully reviewed, and responses to the consultation will be shared with you.

As you are aware, we take curriculum development very seriously and are committed to ensuring that it meets the needs of our children and our school community. Your input plays an important role in preparing our children for the wider world, and we greatly value your partnership in this process.

Thank you for your time and support. I look forward to hearing your thoughts.

With warmest regards and best wishes,

*J Worthington*

Mrs Worthington
